### Synopsis

This book contains 400 full-colour photos of the best in home design. Wide range of projects, showcasing kitchens and baths, exteriors, living rooms, bedrooms, and patios are included in this great idea book. Dozens of great design ideas are packed into this book, which showcases the best in home design. The book is divided into three main sections, each one focusing on colour, light, or design in specific projects and areas of the home. Innovative ways of combining tradition with modernity, solutions to specific site problems and family requirements, and projects that combine elegance and functionality with good looks are spotlighted. Architects looking for great ideas in home design need look no farther than "Ideas: Homes".
