Henry David Thoreau

DESOBEDIENCIA CIVIL (Spanish Edition) Henry David Thoreau

No fue hecho para enajenarse ;
Nunca se casó, vivió solo;
Nunca fue a la iglesia;
Nunca votó, rehusó pagar
impuestos al Estado.
No comió carne.
Ni bebió vino.
Ni fumó.
y aunque fue naturalista,
Jamás utilizó una trampa o un fusil.
Escogió para sí,
Inteligentemente sin duda,
ser amante del pensamiento
y de la naturaleza...
escribió Ralf Waldo Emerson sobre Thoreau

About the Author

Henry David Thoreau was an American author, poet, and philosopher, who is best known for his works *Walden* treatise about living in concert with the natural world and *Civil Disobedience*, in which he espoused the need to morally resist the actions of an unjust state. Thoreau's work heavily reflects the ideologies of the American transcendentalists, and he has long been considered a leading figure in the movement along with Ralph Waldo Emerson, Bronson Alcott, and, at first, Nathaniel Hawthorne (who changed his views later in life). In addition to his writing, which totaled more than twenty volumes, Thoreau was an active abolitionist, and lectured regularly against the Fugitive Slave Law. Thoreau died in 1862, and is buried along with Louisa May Alcott, Ellery Channing, and other notable Americans in Sleepy Hollow Cemetery in Concord, Massachusetts.
